

## SPRING ON THE ISLAND OF MLJET

Island of **MLJET** Island of Mljet is one of the most beautiful and greenest islands of all Adriatic Islands. National Park occupies its north-western part of Mljet Island. This area in 1960 was proclaimed as national park and represents the first institutional attempt to protect the original ecosystem in the Adriatic. During your stay you will be inside of NP Mljet, visit two salted lakes and small Island St. Maria with Benediction Monastery from 12 century .... Once on the island most of the people coming back to visit it over and over again...
